Special Populations

SN 13.1001 SNSP8

Working with Vocational Students from Special Populations

Penn State

BOOK ---- This resource provides a compilation of research materials and stories submitted by professional vocational educators, including information on current legislation, specific categories of special needs, teaching strategies, discipline and work issues of these often challenged but aspiring students. For administrators and instructors. PA, Penn State, 2000.

SN VIDEO 160

Teaching Children with Fetal Alcohol Syndrome

Films for the Humanities & Sciences

VIDEO ---- Children with fetal alcohol syndrome present their own special challenges to teachers-challenges that one school has met with wonderful results. This program travels to Winnipeg's David Livingstone School, a public elementary school with two classrooms uniquely tailored for children with FAS. Teachers and occupational therapists demonstrate and discuss many of their innovative teaching techniques which help compensate for their students' heightened sensitivity to light and sound. Princeton, NJ, Films for the Humanities & Sciences, 2003.

SN VIDEO 161

Why My Child?

Association of Birth Defects for Children, Inc

VIDEO ---- Emmy-award-winning producer, Karin Dorsett has created a compelling video that begins with the parents' question, "Why my Child?" and explores the feelings every parent has when their child is born with a birth defect. The video also raises concerns about links between birth defects and environmental exposures to drugs, pesticides, dioxin, radiation, hazardous wastes, mercury, lead, Agent Orange, Gulf War exposures and other toxic substances. Orlando, FL, Association of Birth Defect Children, Inc., 1995.

SN VIDEO 162

Sebastian: An Extraordinary Life (FAS)

AIMS Multimedia

VIDEO ---- Born to a 15 year-old and placed with foster parents, Sebastian has permanent brain damage and requires almost constant medical care. Students' understanding of the correlation between unsafe behavior (drinking alcohol during pregnancy) and the possible consequences for the developing fetus is reinforced as the program shows how his mother's use of alcohol adversely affected Sebastian both physically and mentally. Grades 9-12, Adult. 28 minutes. Chatsworth, CA, AIMS Multimedia, 1995.

SN VIDEO 164
